LORDE 2025 Workshop LOng-Run Dynamics in Economics - OLG Days

March 26-28, 2025 | Marseille (France)

We invite to submit full papers to the LOng-Run Dynamics in Economics Workshop 2025.

The workshop will be held in the building of the Aix-Marseille School of Economics (AMSE) in Marseille (France) from March 26 to 28.

Submissions must be uploaded on the website: https://lorde2025.sciencesconf.org

Key dates

- Submission before: December 13, 2024
- Decision to authors: February 3, 2025

Topics

The LORDE workshops, which began in 2022, carry on the tradition of the OLG Days established by Philippe Michel. We invite contributions across a diverse range of topics in macroeconomic dynamics and quantitative theory including but not limited to:

- · Education, human capital, and the labor market,
- · Fiscal policies and debt sustainability,
- · Growth and development,
- · History economics,
- Population economics (longevity, health...),
- Sustainable development and environmental policies.

Organization

There are no fees and the organization will cover the costs related to food and accommodation for two nights. Participants are expected to cover their own travel expenses, with the exception of PhD students.

We strongly encourage all participants to attend the entire workshop. Furthermore, we actively encourage both junior and senior individuals to participate.
